## Backway's PT: Reevaluation Questionnaire: Modified Oswestry Disability Questionnaire

This questionnaire helps us to understand how much your pain affects your ability to perform everyday activities. Please check the one box in each section that most clearly describes your problem RIGHT NOW.

<ul> <li>SECTION 1: Overall Pain Intensity</li> <li>The pain is very mild and comes and goes.</li> <li>The pain is mild and does not vary much.</li> <li>The pain is moderate and comes and goes.</li> <li>The pain is moderate and does not vary much.</li> <li>The pain is severe and comes and goes.</li> <li>The pain is severe and comes and goes.</li> <li>The pain is severe and does not vary much.</li> </ul>	<ul> <li>SECTION 6: Standing</li> <li>I can stand as long as I want without pain.</li> <li>I can stand as long as I want but some pain develops.</li> <li>Pain prevents me from standing more than 1 hour.</li> <li>Pain prevents me from standing more than ½ hour.</li> <li>Pain prevents me from standing more than 10 minutes.</li> <li>I avoid standing because it increases my pain immediately.</li> </ul>
<ul> <li>SECTION 2: Personal Care (washing, dressing, etc.)</li> <li>I do not have to change the way I wash and dress myself in order to avoid pain.</li> <li>I do not normally change the way I wash or dress myself even though it causes some pain.</li> <li>Washing and dressing increases my pain, but I can do it without changing my way of doing it.</li> <li>Washing and dressing increases my pain, and I find it</li> </ul>	<ul> <li>SECTION 7: Sleeping</li> <li>I have no pain while in bed.</li> <li>I get pain in bed but it does not prevent me from sleeping well.</li> <li>Because of pain, I sleep only <sup>3</sup>/<sub>4</sub> of my normal time.</li> <li>Because of pain, I sleep only <sup>1</sup>/<sub>2</sub> of my normal time.</li> <li>Because of pain, I sleep only <sup>1</sup>/<sub>4</sub> of my normal time.</li> <li>Pain prevents me from sleeping at all.</li> </ul>
<ul> <li>necessary to change the way I do it.</li> <li>Because of the pain, I am partially unable to wash and dress without help.</li> <li>Because of the pain, I am completely unable to wash or dress without help.</li> </ul>	<ul> <li>SECTION 8: Social Life / Recreation</li> <li>My social/recreation activities are normal and without pain.</li> <li>My social/recreation activities are normal, but increase the degree of pain.</li> <li>Pain has little effect on my social/recreation activities</li> </ul>
<ul> <li>SECTION 3: Lifting</li> <li>I can lift heavy weights without increased pain.</li> <li>I can lift heavy weights but it causes increased pain.</li> <li>Pain prevents me from lifting heavy weights off the floor but I can manage if they're conveniently positioned</li> </ul>	<ul> <li>except limiting more energetic interests, e.g. dancing, etc.</li> <li>Pain restricts my social/recreation activities and I do not go out very often.</li> <li>Pain restricts my social/recreation activities to my home.</li> <li>I have hardly any social/recreation life because of pain.</li> </ul>
<ul> <li>(example: on a table, etc.).</li> <li>Pain prevents me from lifting heavy items. I can manage light-medium weights if they're conveniently positioned.</li> <li>I can only lift very light weights.</li> <li>I cannot lift or carry anything at all.</li> </ul>	<ul> <li>SECTION 9: Traveling / Driving</li> <li>I can travel/drive without increased pain.</li> <li>I can travel/drive unrestricted, but it increases my pain.</li> <li>My pain restricts travel/drives of over 2 hours.</li> <li>My pain restricts my travel/drives of over 1 hour.</li> </ul>
<ul> <li>SECTION 4: Walking</li> <li>I have no pain when walking.</li> <li>I have some pain when walking but I can still walk my required normal distances.</li> </ul>	<ul> <li>My pain restricts my travel/driving to short necessary journeys under ½ hour.</li> <li>Pain prevents all forms of travel except that done lying down, or for visits to the doctor, therapist or hospital.</li> </ul>
<ul> <li>I cannot walk more than one mile without increasing pain.</li> <li>I cannot walk more than <sup>1</sup>/<sub>2</sub> mile without increasing pain.</li> <li>I cannot walk more than <sup>1</sup>/<sub>4</sub> mile without increasing pain.</li> <li>I cannot walk at all without increasing pain.</li> </ul>	<ul> <li>SECTION 10: Employment / Homemaking</li> <li>My normal job/homemaking duties do not cause pain.</li> <li>My normal job/homemaking duties increase my pain, but I can still perform all that is required of me.</li> <li>I can perform most of my job/homemaking duties, but pain</li> </ul>
<ul> <li>SECTION 5: Sitting</li> <li>I can sit in any chair as long as I like without pain.</li> <li>I can sit only in my favorite chair as long as I like.</li> <li>Pain prevents me from sitting more than 1 hour.</li> <li>Pain prevents me from sitting more than ½ hour.</li> <li>Pain prevents me from sitting for more than 10 minutes.</li> </ul>	<ul> <li>T can perform most of my job/nonemaking duties, but pain prevents me from performing more physically stressful activities like lifting, vacuuming, etc.</li> <li>Pain prevents me from doing anything but light duties.</li> <li>Pain prevents me from doing even light duties.</li> <li>Pain prevents me from performing any job or homemaking chores.</li> </ul>
□ I avoid sitting because it increases pain immediately.	(for therapist's use only) DI Score%
