Dear Medicare Client:

Medicare has reinstated a monetary capitation ("Cap") to your Physical Therapy and Speech Therapy benefits for this calendar year. This "Cap" will include services you receive from a therapist in Private Practice from January 1, 2012, to December 31, 2012. The "Cap" limit is \$1880.

In order for us to better serve your needs, it would be helpful to us if you would contact your 2<sup>nd</sup> insurance and ask them the following questions:

- 1) Is my policy a (please circle one)  
supplemental policy  
or a secondary policy?
  
- 2) If Medicare denies payment for Physical Therapy, because the calendar year monetary "Cap" has been reached, but my doctor says I still need PT, will my second insurance pay for my therapy?

(circle one) Yes No  
If yes, at what percentage? \_\_\_\_\_

- 3) (If yes) Is there a limit to the amount of PT you will cover? Yes No (circle one)

If yes, what is the limit? \_\_\_\_\_
